## Come Grow With Us! Partner Garden Requirements:

- Two head gardeners must be identified per location
- A dedicated area for a raised bed garden
- An existing water source, or plans to create one
- To ONLY use organic compost, organic insecticide, and fungicide to secure the integrity of a true organic garden.
- Must display a CGWU Partner Garden sign (supplied)
- Weigh produce and maintain a daily log as picked (scale provided)
- Must submit annual harvest log with total garden weight & donation weight
- Must submit 2 photos of your garden. (All people in photo must be photo released) (email to Adrienne@groundworkelizabeth.org)

## Come Grow With Us! Offers Partner Gardens the following partner support:

- Soil testing via Rutgers Cooperative Extension of Union County
- Garden design and plot planning
- FREE non-GMO seeds and organically grown transplants
- Disease and pest management support
- Ongoing garden support

I, _____, fully understand the requirements of the Partner Garden agreement.
